

We Care Community Services Emergency Assistance Program

Services are provided to individuals/families that are in need due to a crisis situation in their lives, such as a loss of job or illness.

Applications are screened and employment, income, bills, etc. are verified to determine need.

Assistance may include partial help with utilities, rent or life-sustaining medications.

Service area includes: City of Dayton Utility Customers and Rhea County residents serviced by the Electric Power Board.

For more information please call us at 423-775-4333 or via email at wecare@wecaredayton.org
